**Other receptive structures in the following page...**

**You can book by yourself other hotels or bed and breakfast but remember that courtesy shuttle service (once a time in the morning) will depart from Porta Romana**

The chosen hotels (see them on the website) offer us very special prices. All they are near "Porta Romana Place", where a bus will pick up the participants to the meeting to bring them to CRA-ABP (ex ISZA) - Via di Lanciola 12/A (meeting venue).

Below you will find a list of receptive structures located in the neighbouring of "Porta Romana". At the same, you have to contact them directly for prices, availability and so on. We have no idea of the price/quality ratio of these structures.
